

Quinn River Conservation District Humboldt County, Nevada

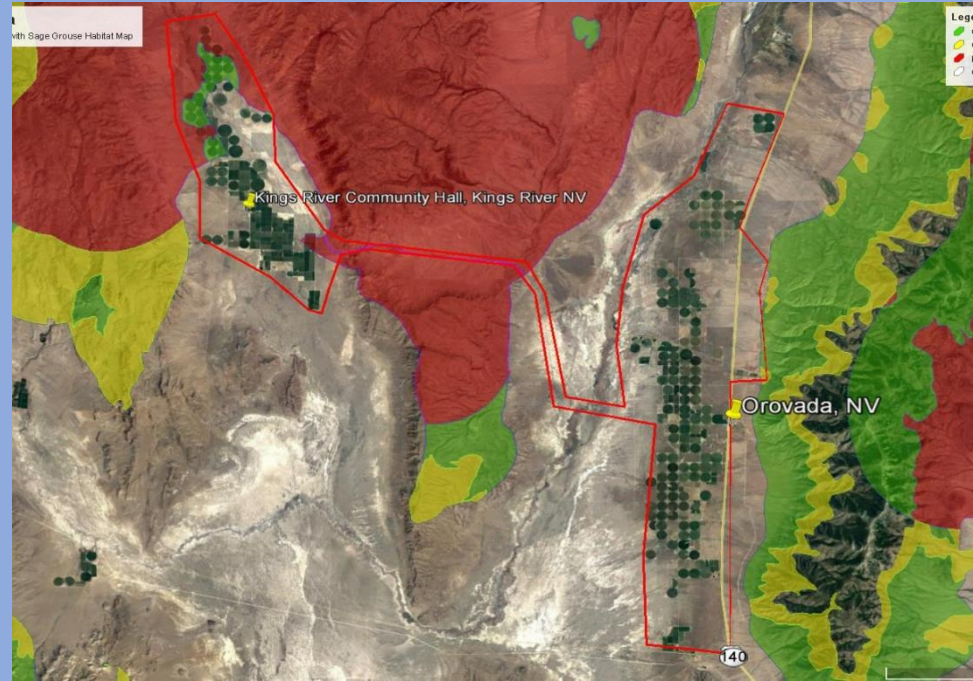

✓ We work with local producers to host an annual Agriculture day for rural schools. Here they are visiting a seed plant in Orovada

✓ Local producers and the CD teach kids about alfalfa production in the field with rural schools

✓ Working with NRCS partners to provide Ag in the Classroom program

Quinn River CD was Awarded the outstanding CD of the year 2018 for working with partners and engaging the communities.

Example of a workshop sponsored by the CD. Community education about natural resource issues occurs on a regular basis.

A grant with the Nevada Dept. of and Humboldt County enabled the CD to address noxious/invasive weeds on private lands

Invasive Weed & Pest Workshop

Sponsored by the Quinn River Conservation District
Wednesday January 16th 9:30am-1:30pm
Orovada Community Hall
